The Arcadian

1951

PUBLISHED BY THE ARCADIA
SENIOR CLASS 1951

Foreword

Within these pages lie the hopes, the dreams and the ambitions of our annual staff and of the whole school as well. The publication of this book is but one of the activities which are centered around the Seniors, but without the cooperation of the student body and our sponsors, our efforts would be useless.

Our highest aim has been to produce a yearbook which will be a memento to its readers. We hope our efforts have not been in vain.

Dedication

As a measure of love and respect, we wish to dedicate this 1951 ARCADIAN to our parents.

We realize that without their aid in our behalf we would not be in the memorable position that we hold as graduating seniors. For this aid we now express our gratitude and thanks.

Annual Staff

The Seniors, in cooperation with the Juniors, have successfully published another Senior yearbook, the 1951 Arcadian. Some additions and rearrangements have been made in the annual this year.

The aim of the 1951 Arcadian is to develop the high lights of the personalities of the students and faculty of the school. Because memory fails so soon the yearbook serves as a permanent reminder of the school days which we cherished so much.

This year the annual sale contest was among six teams, known by the names of different kinds of automobiles. Mrs. Wykoff's team won and was rewarded with a dinner.

This year the staff has added a new adviser, Mrs. Grener, to assist Mr. Groth.

The Juniors have been placed on the annual staff for training for the following year. In this way the Juniors have a good idea of what to look forward to when they publish their own annual.

THE BOARD OF EDUCATION

Sitting: Lester Corbin; Clyde Pepple, president; Dorotha Mengert, clerk.
Standing: Robert Painter; Frank Saltzman, Robert Beamer, vice president.

As in the past, our Board of Education continues to establish sound policies in support of public education in our community. They recognize that only in this way can the Arcadia school maintain its high standing among the schools of the state. Through them the community is able to so chose the equipment and personnel which enables us to have a First Class Charter in the state, and to be a member of the North Central Association of Colleges and Secondary Schools, the highest accrediting agencies to which we could belong. Our Clerk is to be commended for her efficiency in handling her duties.

Finished Yet Beginning

Together we've been striving
Since nineteen thirty-nine
To receive an education
Which in life may always shine.

Here we have toiled for twelve long years
With many worries and many fears,
But our goal we have reached at last
And soon those memorable days will be past.

Yes, we'll miss those pictures on the wall
And that old-fashioned clock in the study hall;
We'll miss the echo of the teacher's voice
Saying, "Get to work and no more noise!"

But now as the end draws near
And we know that with school we must part,
We realize the things that were dear
As into this world we depart.

Yes, we are Finished Yet Beginning
As our motto clearly states,
But as we tread life's treacherous highway
We'll ne're forget our dear classmates.

Class History

In the fall of 1939, a class of frightened, wondering children entered school. This first year we made a good start and the first grade was ended with miniature commencement exercises at which we wore white caps and gowns. Our teacher was Miss Tallman.
Our second year was filled with the fundamentals of learning under the guidance of Mrs. Amstutz.
Advancing to the third grade, Mrs. Arthur helped us present a stage circus featuring "Deep in the Heart of Texas."
The next three years passed rather slowly but we considered it an honor to plan and attend chapel programs. We participated in two operettas and members of our class were in orchestra and elementary choir. Upon reaching the seventh grade we encountered thrill of being advanced to the second floor. This was very different and we felt lost moving from room to room for our classes. It did not take long for us to get acquainted and by the time we had gotten to the eighth grade we had proved our ability to be very aggravating at times. By the end of the term we began to act a little more refined and settled down to end the year with the Eighth Grade Test, which gave us our chance to prove what we had learned.
Alas, in 1948, we were freshmen but at this point we thought ourselves just about "it" and were disappointed when we were dubbed as greenies. We were given a thorough initiation which officially made us Freshmen. Our officers for the year were: President, Betty Lenhart; vice president, Bob Painter; secretary, Frances Garrett; treasurer, Melvin Lenhart; reporter, Kathryn Marvin. We worked under the leadership of Mr. Mengert.
During our sophomore year we began to show our athletic ability and the girls took first place in the intramural tournament. Members of the class took part in the operetta "Words and Music". We elected the following officers: president, Bob Painter; vice president, Rex Cunningham secretary, Margaret Fruth; treasurer, Russell Clark; reporter, Kathryn Marvin. Again Mr. Mengert was our class sponsor.
At last we reached our third year in high school. During this year, under the direction of Mrs. Sharninghouse, we studied the art of acting and toward the end of the year we presented the very popular stage play, "Dear Son."
We helped produce the 1950 annual and entertained the Seniors on May 5 with the Junior-Senior Banquet at Fostoria. Our officers were: president, Rex Cunningham; vice president, Virginia Noel; secretary, Mary Wells; reporter, Russell Clark; and treasurer, Douglas Good. Miss Reimund was our sponsor.
We are now Seniors and we realize that our education has just begun. During the four years of high school we lost half our members but we are well represented in every activity. We are proud of our lettermen. Class officers were president, Lloyd Monday; vice president, Rex Cunningham; secretary, Mary Wells; treasurer, Norma Jean Nye; reporter, Douglas Good. Mr. Groth was our class sponsor this year. Members of the class took part in the operetta "Gypsy Rover" and our class play "Seventeen is Terrific", was a success. There were three members of the class in the National Honor Society. The 1951 "Arcadian" was published. The Juniors entertained us at the Junior-Senior Banquet in May.
We approach commencement time with a sense of an impending loss of friendships and other things we cherish, but at the same time we are happy that we are graduates of Arcadia High School and that our education is "Finished, Yet Beginning".

Senior Prophecy

Good morning, radio friends, this is radio station WRKD, with studios in the Bank Building, Arcadia, Ohio. The time is now 11:30 and it is time for the June 1, 1961 edition of "A Walk down 'Memory Lane' ".

"Memory Lane" as you know is presented each Friday morning at this time by *Cunningham's* Chrysler Garage. This morning we are focusing our peek-o-scope on the Arcadia Class of '51.

Of course my program this morning is of special interest to me as I graduated with the Class of '51 so without further comment let's see what has happened in the last ten years.

Mr. and Mrs. Bob Painter, the former *Beverly Damon*, celebrated their ninth wedding anniversary yesterday. Bob nearly wore out the carpet in the waiting room while Beverly presented him four bundles of happiness, two boys and two girls —six Painters in all. Congratulations. I guess that it was quite a "classy" affair—*Margaret Fruth* and *Betty Lenhart*, head O. .B. nurses here at the Arcadia Hospital, assisted in the deliveries. Betty said they had their hands full. Well I guess so!

Of course I am proud to number among my classmates *Herbert Archibald*, who succeeded Mike DiSalle as Price Stabilizer. He seems to be doing a good job and has things running smoothly and prices under complete control.

While we have our peek-o-scope focused on Washington another name that strikes a familiar chord is that of *James Bruce*, who is head scientist at Carnegie Institute. While on his recent trip to Mars by rocket ship he discovered that the flying saucers you have been seeing were invented by the men of Mars. James is now busy testing the advanced scientific theories of the Martians.

Next there are *Carol Breyman* and *Norma Nye*, both serving their country, Carol as a Lieutenant in the Waves and Norma as an airline hostess for T.W.A.

It seems that several of my classmates have maintained a decided interest in the school here in Arcadia.

Douglas Good graduated from Toledo University and for the past two years has taught Commercial right here in the Arcadia High School. He expects a call from the government soon to set them right in their bookkeeping.

Lloyd Monday has a small truck farm on the outskirts of town and supplies the school cafeteria with fresh fruits and vegetables daily. The former *Marilyn Canterbury*, who is head dietician, says that this practically eliminates meal planning drudgery.

Joe Diebley operates a large dairy farm just east of the city. He furnishes the milk for the school as he does for most of the people of the city.

Now getting away from home, I find *Russell Clark*, out at West Point. Russ said in his last letter that he really enjoyed playing football and was chosen captain for this season. His ambition is to command the World Army in the maintenance of law and order everywhere.

Home again, I find *Neil Breyman*, owner of the filling station in Arcadia. *Joe Sopher* is his assistant mechanic. Neil fills the car with atomic power and Joe keeps the atoms under control.

Last week in Fostoria while getting my hair set by *Loretta Rice*, I noticed a familiar face and it was none other than *Lelia Warren*, excuse me, it isn't Warren now. Anyway, we had a nice chat.

Lelia is a housewife and has three children which keep her busy. Loretta mentioned something about seeing the morning's paper and then put the drier on my head and I heard no more.

When I arrived home, I read the paper and it almost completes the Memory Lane Program.

On the back page was a picture of *Raymond Burns*. Raymond has an orchestra of his own and he is to arrive in Fostoria from New York to present a program of violin music to the public.

Glancing further through the paper I saw that *Charles King* was playing the leading role in "Life of Henry" at the Paramount Theatre on Broadway. It seems that Charles' acting ability, which he had in school, is taking him places.

WELL! WELL! What I saw on the society page was a surprise. *Miss Mary Ellen Wells* who is employed by that famous lawyer, *Jim Ebersole* at Fostoria, Ohio, and who has been successful in her business career is going to change her last name at an early summer wedding. Well, Jim, it looks as if you'll have to look for a new secretary. Maybe your wife can help you out.

Lavera Emerine is a receptionist for a dentist in Findlay, Ohio. She seems to enjoy her job immensely.

I mustn't forget my neighbor, *Kenneth Gaertner*, who owns and operates "Kenny's Super Supreme DeLux Market" on South Main Street in Fostoria, Ohio. He has just about taken all the business all because he has motorized the shopping baskets.

Don't forget to listen tonight at 9:30 to another member of the class of '51, *Thomas Wentworth*, who plays the leading role in *"The Hermit's Cave"*. If you have seen Tom lately, you know that he has grown a two-foot beard. Tom feels that to get the right effects on his radio show he has to live the same way in ordinary life.

Well, our time is up now, radio friends, and so we shall have to close our program for today.

Our sponsor today, Mr. Cunningham, is also a member of the class of '51. Although Rex never drives a Chrysler in bad weather he will vehemently assure you that they will run.

And so this is *Kathryn Marvin* signing off for "Memory Lane" and hoping that you will listen again next week at the same time, when we shall peek into the lives of another group of people.

The Student Council

Seated: Janet Ziessler, Donna Damon, Rex Cunningham, Carol Kieffer, Mrs. Covert.

The Student Council of the year 1950-1951, was composed of twelve members: two from each of the upper four grades and two from the F.F.A. and from the F.H.A. Mrs. Covert acted as the sponsor. The following were elected as officers:

President ..... Rex Cunningham
Vice-President ..... Donna Damon
Secretary-Treasurer ..... Janet Ziessler
Reporter ..... Carol Kieffer

The first important task of the Council was the Homecoming. The crowning of the elected Queen, Betty Lenhart, took place during the half of the football game between Arcadia and Vanlue.

The Student Council planned the schedule for High School parties and also sponsored a few dances after the football and basketball games. One assembly program was given by the Council, that being Recognition Day. Courtesy in the school was stressed by the Council, as well as the cleanliness of the building.

The last duty of the Council was to sponsor the Spring Prom.

Honor Society

The Honor Society is a national organization composed of high school Juniors and Seniors. Prospective members are recommended by the faculty of each individual school to the county organization.

Members are selected for their merits in scholarship, leadership, character, and service, along with a B average or above. These qualities are the basis of the Honor Society.

So that the members might become better acquainted, the combined Honor Societies of Hancock County had three social events during the school year. The first of these gatherings was held in November at Van Buren. Another was held at Arcadia in January. Then in April a formal banquet was arranged at Arlington. At the banquet the business of election and installation of officers, and the formal initiation of new members was carried on.

The emblem of the Honor Society is a lighted torch at the bottom of which are the S for Scholarship, C for character, L for leadership, and S for service.

The purpose of the Honor Society is to promote leadership, to stimulate scholarship and to develop character. It provides a challenge to underclassmen to put forth their best efforts before they become Juniors and Seniors so that they may also become members of the Honor Society.

Junior Red Cross

During the school year, each grade had a 100 per cent enrollment in the Junior Red Cross. Two representatives were chosen from each grade making a total of 24 representatives. Before Christmas we packed boxes to be sent over seas for the less fortunate children. The group worked under the guidance of Mrs. Virginia Miller.

The library has operated efficiently this year under the direction of Mrs. Irene Sharninghouse and her assistant, Kathryn Marvin. The librarians are students interested in library work. Every member must work one period a day for which he receives a grade credit. We have received a number of new books this year. The school secures books from the Findlay Library several times a year.

Junior Class Play

This year the Junior class presented as their Junor play, "Dear Ruth". This play is one of the most popular comedy hits of modern times and has had a long run on Broadway and the road.

The story concerns a young girl, Miriam, who carries on a romatic correspondence with an overseas soldier in her elder sister's name. Through a series of hilarious complications after the youth returns, the older sister, Ruth, as a result of a whirlwind change of heart marries the soldier.

The cast included: Clara Buchanan, Lila Huysman, Kay Kieffer, Duane Beamer, Kay McDonald, Werner Lemke, Jack Wheland, Barbara Fillhart, Reid Hill, and Neil Weaver. The director was Mrs. Irene Sharninghouse, assisted by the student directors, Ellen Gassman and Donna June Damon.

The Gypsy Rover

The High School operetta was presented on April 27. The play is built around Rob, a gypsy, who is really Sir Gilbert Howe of English nobility. Rob doesn't know his true identity and so is ignorant of the fact that he has inherited a large estate. One day Lady Constance and Rob meet. They immediately fall in love. Rob wins Lady Constance for his wife. As Rob says, "The good faries have led me to the beautiful country after all, and our story, Constance, can end in the proper way."

The following were the principals in the cast: Lila Huysman, Bob Painter, Clara Buchanan, Donna Damon, Werner Lemke, Lewis Campbell, Joe Diebley, Duane Beamer, Mary England, Raymond Burns, John Carter and Charles King.

The Arcadia F.F.A. Chapter carried out a well-balanced program under the sponsorship of Mr. Calvin Knight and the chapter officers. We started the year by attending the State Convention and Judging Contest at O. S. U. Ralph Marvin and Robert Painter each received a State Farmer Degree. In the summer we organized a softball team and finished the season with a 4-4 record. Exhibits were placed at the State Fair and the Hancock County Fair and brought worthy awards. We entertained the F. H. A. at our annual game supper in November. We will enter the Parliamentary Procedure Contest again this year hoping to achieve the gold award which has been prominent in our chapter the past three years. Rex Cunningham won the County Public Speaking Contest which entitled him to participate in the District meet last spring. We are planning for a successful Parent and Son Banquet which will be held March 20th.

This was the first year we attempted to organize a basketball team in our chapter. Any members not participating in high school basketball were eligible. Robert W. Painter donated his time as our coach for which we wish to thank him.

Band

The Arcadia Band, composed of students from the fourth grade through high school, was under the direction of our new instructor this year, Mr. Ralph Lupidi. We played for all the home football games, most of those which were away, and various other school programs.

Some of the selections played at the football games were; "Turkey in the Straw", "Hi, Neighbor", and "Across the Field". For the home-coming game we chose to play "Auld Lang Syne" during the coronation ceremony. Many formations were used, such as, "Hi", "A", and emblems or figures representing the songs which were being played.

We participated in the Fostoria Halloween Parade for which we played several marches. We also played a couple of numbers to introduce the National Champion V. F. W. Band of Fostoria, Ohio, which exhibited a fine concert program here last fall.

A few of the members were chosen to play in a small German Band which played for several basketball games. A couple of their selections were "Hi Le Hi Lo" and "Bier Her Bier He".

Norma Ritter, one of our majorettes, won second honor in a baton twirling contest sponsored by the McComb Lions Club.

By February of 1951 the band program had grown until it was necessary to divide the band into two separate groups. The Senior band is composed of the more advanced students while the Junior Band is composed of less experienced students and the beginners.

Janet Ziessler and Patty Emerine were elected to play in the All-County Band at the Music Festival which was held at Arlington in January.

Orchestra

The Arcadia Orchestra is composed of twenty members from the fourth grade through high school. In it are eight violins, four clarinets, two trumpets, one trombone, two flutes, one bass viol, one snaredrum, and one bass drum.

The orchestra continued its fine work this year under the direction of Mr. Ralph Lupidi, our new instructor.

We played for Commencement, the Junior and Senior Class plays, the Farmers' Institute, and an Assembly program. One of our members, Douglas Good, played in the All-County band. We also made a recording to be broadcast on the Arcadia Merchants' Music Program over W. F. I. N.

Of all the selections, the most outstanding were "Coronation March", "The Sailors' March", and "The Russian Choral Overture".

We practiced twice a week, Tuesday and Friday, according to a rotating schedule set up on class time.

We are proud of our orchestra and enjoy playing the many different compositions. The orchestra will keenly feel the loss of the four Seniors; Beverly Damon, Bob Painter, Raymond Burns, and Douglas Good.
